

Carbon County Fair Animal Expo Entry Form--2010

There will be two categories of exhibitors at the Carbon County Fair Animal Expo, open and 4-H. The open class is for those exhibitors of any age who are not enrolled in 4-H. The same basic rules apply for both open and 4-H exhibits. Classes include sheep, beef, goats, miniature horses, rabbits, poultry, and exotic animals. For questions call USU Extension Office at 636-3233.

One of the main reasons for 4-H animal projects is to teach young people basic principals of animal husbandry and how to train and show their animals. The more important purpose is to provide an opportunity for personal growth and development of the young person.

Animals can be brought into the indoor arena on Thursday August 12th from 5:00 to 8:00 PM. Entry forms are available at the extension office. A limit of two entries per species will be awarded premiums to an exhibitor. Exhibitors who decorate or provide educational information with their exhibits will also be awarded a premium.

Schedule of Events

Thursday 12th
5-8:00 Animal Check-in

Friday 13th
8-12:00 Animal and Display Judging

Saturday 14th
AM Dog Trials
1 – 3:00 PM Showmanship
4:00 PM Awards
4 – 6:00 PM Animal Check-out

Showmanship events will be posted at the barn. There may be youth showmanship contests for goats, rabbits and poultry. 4-H members are encouraged to participate in the showmanship events. As in past years exhibitors are encouraged to have an informational display about their livestock projects.
